Mr. Allen W. Dulles
2723 Que Street, NW
Washington, D. C.

Dear Mr. Dulles:

Enclosed is a copy of my book, WHITEWASH: THE REPORT ON THE WARREN REPORT.

I hope you will take the time to read it and note its focus.

Should you have any questions, I will be glad to answer them.

As you will see, there is but a single explicit conclusion in the book: That the job has not been done and must be, entirely in public and preferably by Congress. I hope you will be in accord with this and will join me in this demand. Yours is a powerful voice, and it should now be heard.

Sincerely,

Harold Weisberg
